#### **Report for Debenham Parish Council Meeting 14.09.09**

##### **Reported Crimes**

Since 17<sup>th</sup> August 2009 there have been 3 reported crimes in Debenham. One crime involved an unsecured pedal cycle from an address on Ipswich Street, the second involved the theft of some lettering from Abbots Estate Agents and the third involved damage to a front door on Aspoll Road.

##### **Securing Personal Property**

Please could I remind everyone of the need to secure personal property when it is left unattended. As we have seen with the above mentioned pedal cycle, it only takes a few seconds for someone to help themselves and walk off with your property if it is left in an easily accessible situation.

##### **Anti Social Behaviour**

Recently there has been a slight increase in the levels of anti social behaviour in Debenham. In order to address this we have identified a number of suspects and conducted a series of home visits with the aim of preventing this low level nuisance behaviour from continuing and also from becoming more serious in nature.
