

Suffolk Constabulary

Mid Suffolk Central Safer Neighbourhood Team

Report for Debenham Parish Council Meeting 16.11.09

Reported Crimes

Since the 20/10/09 there has been no reported crimes in Debenham.

Anti Social Behaviour.

During enquiries into ant social behaviour in Debenham we have identified more possible suspects and therefore further home visits have been conducted.

Garage Security

Although there have been no reported crimes in Debenham in the last month there have been instances in the more general area where power tools and larger mechanical garden tools have been taken from Garages and Garden sheds.

May I take this opportunity to point out the necessity to secure outbuildings, ensure power tools and other valuable items are not on view and to make a note of serial numbers for identification purposes if required.
